The Belle Glade Herald

"A DIAMOND IS A BOY'S BEST FRIEND"

To The Parents Of Little Leaguers

Enthusiasm for Little League was evidenced by a return with in a few days of about half the 500 cards passed out to Belle Glade boys, ages 8 to 14. The boys are eager and anxious to "get to playing" but the parents are sadly missing.

At the organizational meeting last Thursday night at Belle Glade High School only five to six parents bothered to go. This was not a sufficient number to elect officers and get the program underway.

I. L. Proves Season Not Over

I. L. Price, Executive Secretary of the Belle Glade Chamber of Commerce is back on the job minus part of his tongue, but he's still voluble.

"Who said the season is over?" he asks, and then answers.

"We had 23 new families seeking a place to live. Of these four were for four months. All others moving here permanently."

Asks Choice In Hospital Vote

The following "Open Letter" to the Northwestern Pk County Hospital Board signed by Bob Lee, President of the Chamber of Commerce, "for the Board of Directors" is printed as information to the public:

"The Board of Directors of the Belle Glade Chamber of Commerce expresses its appreciation to your Board for the answers given to the nine questions relative to hospital needs, and which were published in the Belle Glade Herald on April 18th.

"The Chamber of Commerce is appreciative of the time and thought given by your Board to provide increased modern and accredited hospital facilities and medical services to meet the needs of the area.

"It further appreciates the activation of the heart clinic, the daily sick clinic for the indigent, the obstetrical program and the blood bank association.

"At our joint meeting, the hospital board assured the Chamber that the public would decide by vote as to where and how additional facilities would be provided, and we are deeply concerned over the lack of publicity joined to educating the voting citizen.

"We are confident that the voters will have an alternative when asked to decide just what they want to pay for and utilize in the way of medical facilities. This necessitates that the voting public be apprised of all the facts supporting a consolidated hospital, as well as all the facts supporting a new one at the site of our present hospital.

"The motive behind your Chamber's action in this highly important matter is solely to insure an informed public which will decide, inevitably."

BELLE GLADE CHAMBER OF COMMERCE

WHEN YOU GIVE - RED CROSS CAN HELP

Courtesy National Cartoonists Society

The Fund Drive for Red Cross will get underway on May 1st and continue throughout the month or until the goal of \$1,200 is reached says Roy Kimberly, 1962 Belle Glade Drive Chairman for the Palm Beach County Chapter of the American Red Cross.

The entire area will be covered by teams with the plan to contact every resident of the community, and team captains will be announced in next week's issue of THE HERALD.

If you are missed, Mr. Kimberly is available at the Country Club, or THE HERALD will pass your donation on to the Committee.

Civitan Club Elects Gerald D. Fussell

At its weekly meeting at Ray's Smokehouse on April 19, the Belle Glade Civitan Club elected officers to serve from July 1, 1962 through June 1963. Officers elected were: Gerald D. Fussell, President; Marvin M. Smith, First Vice President; Carl E. Waggoner, Second Vice President; Robert E. Mathews, Secretary; Wayne Forrester, Treasurer; Donald F. Harris, Jr., Myron E. Emmet, Joseph R. Orsello, and Richard A. Poston were elected to the Board of Directors. Edward F. Allen will also serve on the Board of Directors as Immediate Past President.

Turf Grass Folks Hold Trade Show At Deauville Hotel

Florida's postwar building boom brought people and great demands for turf-grass to this state. Today's turf lawns are the product of a great industry. In order to meet the maintenance problems of growing turf-grass, 150 thousand acres of highway turf, 250 golf courses, plus cemeteries, schools, recreation grounds and parks. The Florida Turf-Grass Association announced its First Annual Trade Show.

May 28, 29 and 30 has been set for this trade fair of equipment, chemicals, insecticides, nematodes, fertilizers, and seed necessary for turf-grass management. Exhibits and meetings will be held at the Deauville Hotel at Ft. Lauderdale.

The Plantation Field Laboratory of the University of Florida, at Ft. Lauderdale, will have demonstrations of equipment and an opportunity of viewing the plot experimental work. The experimental work at the Laboratory will present some of the problems of growing turf-grass under sub-tropical conditions and will be of interest to those engaged in this industry in Florida, the Caribbean Area, and Central and South America.

The Turf-Grass Trade Show will be of strong interest to those concerned with institutional Grounds, Parks, Cemeteries, Golf Courses, Tourist Attractions, Lawn-Spraying Services, Lawn Maintenance and Garden Stores. Registration for the meeting and membership in the Florida Turf-Grass Association is open to everyone interested in Turf-grass.

Cancer Crusade Most Successful

Although the 1962 Cancer Drive does not officially end until the last of April, indications are that it will be greatest ever for Belle Glade.

"Our goal" Lee L. Cranford, chairman, says of \$20,000, which is \$600 over that of last year, has already been reached and contributions are still coming in. Certainly this is "Cancer Progress Year" for Belle Glade, and its citizens can be proud of their tremendous help towards this great cause."

Dial All 7 Digits Tel. Manager Says

The telephone company reports the recent number change over in Pahokee has been completed with the exception of a few minor changes yet to be completed in the Pahokee office. Bob Lee, Manager for the company reports "We always anticipate a certain number of difficulties in a change over such as this. Our biggest problem now is that our customers are not dialing all of the seven digits when placing calls. Many are getting wrong numbers because they are still dialing the 8 and the 4 when dialing from Pahokee to Belle Glade and vice-versa. This is no longer necessary with the installation of the seven digit number plan."

Lee requests that you use your new directory when placing calls. If you are still unable to reach the number our operators will be glad to assist you.

W. B. Rhodes New Lion Pres.

Belle Glade Lions will host District Cabinet Meeting for members of District D, this Sunday, May 29th at the Community Center building, and are anticipating the 400 Lions and their families will attend.

Entertainment for the women and children while the men are in afternoon session will include boat rides on Lake Okechobee and a tour of the farming areas. Plans were completed at the Wednesday luncheon meeting of the club.

Election of officers for the coming year named W. B. Rhodes as president; Carl Crawford, first vice-pres; Felton Morris, second vice-pres; Travis Moore, third vice president; H. V. Dray, secretary; F. C. Schenck, treasurer; Bruce Williams, Paul Twister; Howard Lamb, Lion Trainer. Two year directors are T. E. Hollingsworth and T. W. Whately. All Harris is one year director.

Dr. Duke K. McCall, evangelist of Louisville, Kentucky, was guest speaker and talked on "Paths of Life."

The Lions Club, sponsors of Little League since its beginning in Belle Glade, voted to again sponsor this year if rights are out at 9 o'clock and that the boys will play no more than two games a week with no double headers. It was further agreed that games should not be held on the grounds of High School baseball season.

"We are very much interested in the welfare of the boys and believe Little League to be a very valuable thing," Outgoing president of the boys and our proposed restrictions are in keeping with the plan as laid down by the National PTA and National Little League."

Experiment Stations Slates Field Days

Vegetable field days are being held at three Florida stations, is the announcement of Dr. J. R. Beckenbach, director of the Florida Agricultural Experiment stations, Gainesville.

Vegetables Growers are invited to visit and learn about research being done.

The Florida Experiment Station, Belle Glade will have a discussion period May 10 at 9:30 a. m. followed by lunch at the station. A tour will be offered of the plots in the afternoon.

At the Zellwood Sub-station, Gainesville, Florida, Florida Experiment Station, will be held under the supervision of Dr. W. T. Forrester, Dr. Robert J. Allen, Ralph Kidder, Dr. Wehling, Dr. Herb Chapman and Dr. Charles Horstine, participated on the program.

Calves Top Market Stockers Scarce

Calves topped the Glades Livestock Market Monday sales and more steer and stocker cows are in demand, according to Manager Young. 56 per cent of the offering went to slaughter, 44 per cent to stocker. 14 percent of the run was cows, 98 percent to slaughter.

A total of 540 head 275 calves, 265 others sold for \$46, 687.72.

April 23, 1962

Slaughter - Steers, Cows, Bulls, steady; Heifers & Calves mostly steady.

Steers - 2 Head Steer, 18.00-21.50, Cut. 16.00-18.00.

200-250 lbs. Choice 20.00-24.00, Good 23.00-26.00, Med. 20.00-23.00, Com. 17.00-23.00.

Bulls - 6 Head Med. 18.75-18.25, Inf. 15.00-17.00.

Public Privileged To Vote On Hospital When - Where & On What? Not Told

Following a meeting of the Southwestern Hospital Board Tuesday afternoon, the Secretary of the Board, Mr. Bob Lamer gave THE HERALD permission to announce that voters will be given an opportunity to VOTE.

Mr. Lamer reports he is not able to say on WHAT nor WHEN, but it is assumed that this proposed straw vote has something to do with a consolidated hospital, as long as the Board told the Chamber of Commerce that the only site being considered is the one stipulated by the Pahokee Hospital Medical Staff and concurred in by the Pahokee Board.

There's news about the Hospital in other stories in this issue of THE HERALD, and there'll continue to be until we get some relief - new and modern facilities.

Saturday Services Held For Ben Austin

Ben Austin, 64, of South Bay died Wednesday afternoon. Belle Glade Memorial Hospital, following a long illness.

A native of North Carolina he had been a resident of South Bay for 11 years coming from Oklawaha. He was a member of the Methodist Church and had worked as head of the Sanitary Department for the City of South Bay for eleven years.

Survivors include his widow, Mrs. Georgia Ann Austin, South Bay; two daughters, Lou Ann and Jenny, South Bay; four sons, Benny of Sanford, Horace, Norman and Warren all of South Bay; three brothers, W. P. of New London, N. C., J. S. of Willard, N. C., Bruce of Monroe, N. C.; two sisters, Mrs. Omie Benton, Monroe, N. C. and Mrs. Fanny Chancery, Wingate, N. C.

Funeral services were conducted Sunday at 10 a. m. at the Community Methodist Church, Belle Glade with the Rev. Lee D. Harris officiating. Burial was at Ridgeland-Clemson, Clemson, S. C.

Williams Funeral Home, Belle Glade was in charge of arrangements.

Shotgun Blast Damages Shurt Removes Butten

Port Martin of Oklawaha reportedly didn't like being asked to quiet down at 12:30 hour so he went home got a .32 revolver and returned for a few shots at Floyd Taylor, which haven't proven too serious in their effects.

Later he secured a shotgun and took a shot at Clyde Odum, Mrs. Martin's son, who was shot but a lution off his shirt and some damage to the shirt. Martin has several charges against him, each of which carries a heavy bond.

The Judge will listen to the Whys and Wherefores sometime this week.

Cub Scout Pack 624 Will Meet Friday Night

The Cub Scout Pack 624 meeting will be held at James Hall Friday night at 8 p. m. Den No. 2, with Den mothers, Mrs. Marvin Irwin and Mrs. Lorenzo Connell will present the program.

At the Pack meeting, the boys will make model cars and have races on plywood track. During the month of June thru August, outdoor meetings will be held under the supervision of Pallen Morris.

Parents of new cubs joining the pack at the meeting are especially invited to attend the pack meeting. Any parents interested in taking the training course offered for their son to be eligible for Cub Scouts, are also invited.

Patients In Hall-ways

Patients in the Southwestern Hospital District pay approximately 100 thousand dollars yearly for operation due to non-paying patients.

One doctor reports loss of two paying patients this week, as an example of a frequent happening, because they "didn't want to run the risk of being given a bed in the hall."

There have been 284 operations in the hospital this year, with 40 during February and 40 during March; of this number 82 were major, with 9 and eleven during February and March.

According to figures used by professionals, Southwestern needs 44 beds per thousand average and up to 69 during March or 88 beds, for present.

The minimum on any one tent use.

Substantially Larger Quotas Favored Fla. Council Of 100 Is Told By USDA

The U. S. Department of Agriculture has advised the new Sugar Act of 1962 that the Florida Council of 100 that the Kennedy Administration "favors substantially larger quotas than are now provided for the mainland cane area."

Dr. F. O. Dickenson, Jr., Council chairman, said today that the department's response was in answer to a "strong request" submitted by a larger sugar quota for Florida and sent recently to President Kennedy, Secretary of Agriculture Freeman and the State Congressional delegation.

The reply of the department read, "The President in his budget message proposed amendment and extension rather than mere extension of the present Sugar Act."

"The Administration supports changes in the terms of importation of foreign sugars and also favors substantially larger quotas than are now provided for the mainland cane area, which makes the State of Florida."

The council, composed of leading Florida industrialists, business and educators, requested the favorable consideration of the new proposed sugar legislation "as agreed upon by the entire domestic sugar industry insofar as mainland sugar output is concerned, beginning with a production marketing quota of 900,000 tons."

In supporting the measure, the Council pointed out that "there is currently estimated in capital outlay alone for new sugar producing facilities in Florida private capital expenditures approximating one hundred million dollars."

Impatient Samuel Became Violent Wounded His Wife

Samuel Lee Patrick became irritated apparently when he was informed that his wife Essie would be home some minutes more for completion of the work of the operator at the Blue Flame Beauty Salon.

Gussie didn't like the tone of his voice when he said "That's Too Long," referring to the answer he got when he inquired as to "How Long before she would be ready?" so she stepped across the street with Samuel in pursuit.

Samuel caught her and stabbed her ten times in the body. His aim was apparently bad for she survives with flesh wounds around her shoulder and hip.

Samuel decided not to wait for the officers, but he gave a line on his whereabouts and hoped to have him answer to the Judge soon.

BPOE Lodge No. 1716, Belle Glade Installs Year's Officers

Frank Dooley, District Deputy Grand Exalted Ruler, formally installed the officers of his home Lodge, with Past Deputies, Alex Arnette, (right) and A. E. (Stick) Kirkman, left rear, assisting.

"They Had A Ball"

If we properly interpret the modern English, descriptive and expressive, of Space-age teenagers, members of the Cast of the Senior Class play — "LOOSE ANKLES" — "had a ball," for themselves, for they were natural, spontaneous and unburied, with gestures and facial expressions carrying the story.

"For our money," they were a group of actors who didn't miss a cue, and showed evidence of technical direction, and hours of rehearsal and a whole-hearted representation of characters about whom they had seriously researched.

The play with a whole theme of humor, and situations following naturally, was ably presented, and outstandingly as when compared to offerings on TV.

If you appreciate the work of OUR youngsters, a note telling them so may very well strengthen THEIR opinion of YOU — they deserve it, as does their teacher and director, Mrs. HILL.

1. Get a good education for CANCER.
2. Get a good medical check-up for CANCER.
3. Give a good check AGAINST cancer.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1962... the same year that

IN FLORIDA, the State Legislature proclaimed that all the public lands to which the state claimed title through succession should be restored to market at \$1 and \$2 an acre, soldiers to have the right to buy at 1/4 these prices. Throughout the state the event was celebrated with toasting of glasses of beer.

For then, as now, beer was the traditional beverage of moderation — light, sparkling refreshment that adds a touch of Southern hospitality to any occasion. Floridians have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

IN SERVICE

Willie M. Browder known as Butch Bass, son of Mrs. Russell M. Bass at 136 North East Fourth St., Belle Glade, Fla., serving aboard the attack carrier USS Forrestal, observed by President John F. Kennedy during a two-day visit on April 13 and 14, to the Atlantic Fleet in Norfolk, Va.

Following the Presidential visit, the ship headed for Vieques, Puerto Rico, to take part in a three-week joint Navy-Marine Corps maneuver involving more than 40,000 sailors and Marines aboard some 83 Atlantic Fleet ships to be climaxed with an assault on Vieques.

The President accompanied by Vice President Lyndon B. Johnson, members of the Washington diplomatic corps and U. S. Congressmen, arrived in Norfolk the afternoon of April 13.

The next morning, the presidential fleet ballistic missile submarine USS Thomas A. Edison, the fleet ballistic missile submarine USS Northampton to observe night operations by the attack carrier USS Enterprise and USS Forrestal.

The next morning, the presidential fleet ballistic missile submarine USS Thomas A. Edison, the fleet ballistic missile submarine USS Northampton to observe night operations by the attack carrier USS Enterprise and USS Forrestal.

The presidential party returned to Washington late Saturday afternoon.

Pvt. James H. Lockhart, whose wife, Barbara, and parents, Mr. and Mrs. Guy S. Lockhart, live at 1234 N. W. 12th St., Belle Glade, Fla., recently participated with other personnel from the 1st Division's 4th Cavalry in Army Training Tests in Korea.

During the tests Lockhart's unit engaged in combat exercises against an "aggressor" force under simulated combat conditions. Training of this nature is designed to maintain the constant state of combat readiness essential to a modern Army deployed to maintain the defense of the free world.

A tank crewman in the cavalry's Combat Support Company, Lockhart entered the Army in October 1960, received basic training at Fort Jackson, S. C., and arrived overseas in March 1961.

The 19-year-old soldier attended Belle Glade High School.

Teen Talk On Nutrition Feature Of Extension Meet Friday In WPB

Food that teens flip for will be the spotlight Friday, April 27, when county 4-H leaders and 4-H club members and parents hear a tell-all talk, on "Teenage Nutrition." As announced by Mrs. Laura B. Ward, Palm Beach County Assistant Home Demonstration Agent, the guest speaker will be Miss Martha A. Childers, Gulf States nutrition representative for the American Institute of Baking, Chicago. This meeting, to be held in the Agricultural Center, 531 North Military Trail, West Palm Beach, will start at 10:00 a. m.

During the program, Miss Childers will supply nutrition facts that point up the fiction about many teen food fads, as well as facts that substantiate seemingly off-beat dining ideas. Miss Childers cites this example of a young way with breakfast, practiced by many high schoolers and collegians: Making breakfast a two-part meal — the first part eat on a continental roll of juice, toast, and beverage; the second part, a heartier breakfast eaten during a mid-morning break.

Scientific studies, says Miss Childers, back up this nutritious meal — nutritional sound. Instant, needed nutrients, most likely to be missing from the diet of haphazard teen eaters, will be enumerated. To give a total picture of teen food needs, and foods that satisfy these needs, the speaker will refer to a Foodway to Follow, a nutritional blueprint for all the family. The Foodway illustrates the

U. S. Department of Agriculture's plan for an adequate diet based on these four food groups (1) enriched or whole grain bread or cereal; (2) milk or cheese; (3) meat or its alternatives; (4) fruits and vegetables.

Recent nutrition training brought Miss Childers abreast of current research in her field. Within the past year, she served her dietetic internship at Hines Veterans Administration Hospital in the Chicago area and had intensive in-service training at the American Institute of Baking. She has also worked as a dietary assistant at the community hospital in her home town of Kingsport, Tennessee, and as an institutional management assistant at a Tennessee craft school. In her present position, Miss Childers works with educators, school lunch personnel, extension groups, and public health organizations.

May God's richest blessings be with you.
Mrs. Leroy Tillman, Phyllis, Sandra and Vivian

THANK YOU
We wish to express our thanks and appreciation to our friends and neighbors for their kindness and sympathy shown up in the loss of our dear husband and Dad, Leroy Tillman. Especially do we thank Mr. Maitz for his words of comfort, Mr. Williams for the services and everyone who sent the lovely floral offerings.

Good Legs-Strong Back-Pay Off

Trop 801 got in shape for the Easter Holidays by hiking 2 miles with full packs to do an overnight campsite last Friday afternoon.

Campore Pack-in regulations were followed. One hand had to be free at all times, water drawn from the canal for drinking and cooking was treated by prescribed sterilization methods.

After the camp was set up and chow was out of the way the Scouts went exploring or fished. No treasure was found and only catfish and gar were caught but Nature responded by providing a most beautiful sunset and a perfect night for fire stories.

The whine of outboard motors replaced the bugle for rest and the boys were off to an early start, breakfast, break-camp, swim period and that long hike home.

Those attending were: Scoutmasters R. H. Lewis, C. E. Haines, Scouts Bobby Blackwell, Mike Godwin, Billy Blackwell, Eddie Haines, Dennis Connell, Arthur Jones, Rommie Cooper, Roger Harrell, Jim Lowrey, Jeff Harford and Greg Jones.

Myron Rogers
County Commissioner

It's time for a commissioner
who will spend time with the
people, listen to their problems
now just before election.

With no outside job I will
be on duty eight hours every
day for Palm Beach County.

I will be running for the seat
now filled by Ben Sundy.

I was born in Suffolk, Vir-
ginia, and served in World War
II as a combat infantryman with
the 37th Div. in the Pacific. Also
with the Inspector General Of-
fice. Coming to Delray in 1946
have been since married to the
former Nancy Dunham of

Pleasant Ridge, Michi-
gan. I have three lovely daugh-
ters, Stephanie, Cynthia, and
Nancy Jane. I served as De-
puty Sheriff, and am now em-
ployed with Gulf Stream Land-
ing Co. Boynton Beach.

I am a member of the First
Baptist Church of Delray, and
of the Masonic Lodge 111 Del-
ray. Also of the Scottish Rite
Temple, American Legion. I am
now the president of the Palm
Beach County Mounted Post, and
past member of the Car-
penters Local Delray.

I decided to run for County
Commissioner, when a large
number of tax payers convinced
me that they unhappy they were.
They said they would welcome
a change in Dist 4.

I believe that all people be
given the same amount of con-
sideration rich or poor. Work-
ing closer with City Council-
man throughout the county. I
am obligated to no one, and I
have made possible the expan-
sion of our educational facili-
ties; a commission approved pro-
gram of building and zoning

"Efforts of the County Com-
missioner during this time," he
said, "have resulted in a num-
ber of benefits. Palm Beach
County has become the home
of many new industries provid-
ing a boost to year-around econ-
omy; cooperation of the board
has made possible the expan-
sion of our educational facili-
ties; a commission approved pro-
gram of building and zoning

William M. Harvey
School Board

William M. Harvey, Lake
Worth attorney, has filed as a
candidate for the Board of Pub-
lic Instruction in District 3, sub-
ject to the County-Wide Demo-
cratic Primary on May 8, 1962.

In stating the reasons for his
decision to seek the office, Har-
vey said that he believes the
Board of Public Instruction is the most im-
portant agency in Palm Beach
County. It operates under the
largest part of every tax dol-
lar paid in by the property own-
ers in Palm Beach County. The
Board determines where and
where schools are to be con-
structed and, to a large extent,
the curriculum for our children.

As a taxpayer, I am vitally in-
terested in how our tax dollars
are being spent. As the father
of two small sons, one of whom
will enter the first grade in
September, I am even more
interested and concerned.

I am qualified, by experience
for the position I seek and I
believe the knowledge and ex-
perience I have gained as a
valuable asset for the future.

Reviewing commission activities
in which he has shared an im-
portant role, Loyal noted that
many new industries which now
operate in the county have been
firmly which include Pratt &
Whitney, RCA, Minneapolis
General, Precision Scientific
and others. He pledged himself
to continue his efforts to find
new industries and to advise
the commission has already in-
terested "several fine prospects"
in locating here.

Long interested in providing
better educational facilities for
the area, Loyal said he will con-
tinue to work for a state uni-
versity at Boca Raton; further
development of Palm Beach
Junior College and will give all
assistance possible in working
out the many public school prob-
lems which come from expan-
sion and increased enrollment.

Loyal said he will continue to
work with land developers on
projects similar to past cooper-
ative joint projects. He has
brought many outstanding sub-
divisions to the county — de-
velopment with proper drain-
age, good streets and well con-
structed homes.

Another project now being
developed, Loyal continued, is
expansion of the county home
and hospital — a \$350,000 pro-
ject financed by matching Fed-
eral funds and when completed
will fill a need long recognized
by the board — added facilities
for the aged, indigent and men-
tally ill.

Today, operation of Palm
Beach County, the chairman
noted is big business covering
more than 20 fields of endeavor
and costing \$32,000 per day.

"This is a responsibility that
can't be taken lightly," Loyal
declared, "it is a responsibility
for men of experience and con-
sidered judgement." Loyal said
being a county commissioner
he has never been con-
nected with any business that
would take time from coun-
ty affairs. "I will continue to
devote full time to the duties of
the Board of Public Instruction."

Loyal is a past president of the
South Side Kiwanis Club
and resides in Lake Clarke
Shores, Mr. and Mrs. Loyal's son
will be graduated this year
from Florida State University
and their daughter will com-
(Continued on Page 6)

John L. Archie
County Commissioner
Group 4

John L. Archie, former Mayor
of Boynton Beach, in announc-
ing his candidacy for County
Commissioner for District No.
4, states: "It is my understand-
ing that my opponent has been
defeated in his last 2 county-
wide elections by the people in
his own district. However, the
rest of the county, by habit
elected him for another
term. It is with this in mind
that I include as one of the
planks in my platform 'return
to the people the right to vote
by district for County Com-
missioners.' This is very pos-
sibly true in the other 4 dis-
tricts which would indicate even
stronger the need to allow the
people of each district to elect
the man of their choice because
he is the man who will repre-
sent them for 4 years."

Beyond this, Mr. Archie feels
a need exists for more coop-
eration between the commis-
sioners of the Glades District
and District No. 4, as the people
of these areas have apparently
been forgotten in the past. To
this end, he pledges to work in
harmony with whoever is the
Commissioner of the Glades
District. It is in this manner
that these two areas of Palm
Beach County will be able to
attain the network of new roads
and highways so direly needed
for future progress.

Archie, since coming to Flori-
da, has resided in Palm Beach
County and has served in many
capacities in civic and govern-
ment projects. While Mayor of
Boynton Beach, he helped ini-
tiate or complete a new \$1,270,
000 water treatment plant and
distribution system, a new pub-
lic library, athletic field, civic
center and shuffleboard courts
and complete new sewage facili-
ties amounting to over 3 mil-
lion dollars. All this, stated
Archie, was accomplished with-
out raising ad valorem taxes
and, in fact, reducing them.

A. F. Brockmiller
County Commissioner
Group 2

F. A. "Al" Brockmiller of
7320 Venetian Way, Lake
Clarke Shores, has joined the
three-way race for the seat of
county commissioner in District
2 in the May 8 Democratic Pri-
mary.

He has been a resident of this
area for 14 years, having come
from Detroit in 1947. He is a
special investigator for the
Florida Industrial Commission.

Brockmiller, 55, is married
and has three children, all edu-
cated in local schools. Dian is
now an accountant in San
Francisco, Larry is an atomic en-
gineer in Newport News, Va.,
and Richard is in the Air For-
ce.

A churchman, he is an usher
at Sacred Heart Roman Cath-
olic Church. He is a member of
BPOE No. 1530 of Lake Clarke
Shores.

"I am offering myself as a
candidate," says Brockmiller,
on a platform devoted to the
needs of the people, rather than
building monuments in unces-
sary roads and buildings. I am
for holding in check the rising
tide of mounting taxes, bolter-
ing our economy by sound ad-
ministrative procedures, assist-
ing in securing industry and
promoting tourism, delving into
the attempting to reduce our
welfare load.

"I am interested in an over-
all plan for the development of
Palm Beach County, always
with you the people, in mind."

"I am not going to make any
rash promises," he continued,
"to any person or group of per-
sons, but simply make an hon-
est effort to improve your situ-
ation through sound and sincere
administration."

Close cooperation with the
committees of the various com-
munities is a must. The prob-
lems of the businessman,
working man, senior citizens,
the young adults and youth, are
my primary concern.

"I will forthrightly present
the demands of Palm Beach
County before state and nation-
al officials to obtain our just
(Continued On Page 6)

portant role, Loyal noted that
many new industries which now
operate in the county have been
firmly which include Pratt &
Whitney, RCA, Minneapolis
General, Precision Scientific
and others. He pledged himself
to continue his efforts to find
new industries and to advise
the commission has already in-
terested "several fine prospects"
in locating here.

Long interested in providing
better educational facilities for
the area, Loyal said he will con-
tinue to work for a state uni-
versity at Boca Raton; further
development of Palm Beach
Junior College and will give all
assistance possible in working
out the many public school prob-
lems which come from expan-
sion and increased enrollment.

Loyal said he will continue to
work with land developers on
projects similar to past cooper-
ative joint projects. He has
brought many outstanding sub-
divisions to the county — de-
velopment with proper drain-
age, good streets and well con-
structed homes.

Another project now being
developed, Loyal continued, is
expansion of the county home
and hospital — a \$350,000 pro-
ject financed by matching Fed-
eral funds and when completed
will fill a need long recognized
by the board — added facilities
for the aged, indigent and men-
tally ill.

Today, operation of Palm
Beach County, the chairman
noted is big business covering
more than 20 fields of endeavor
and costing \$32,000 per day.

"This is a responsibility that
can't be taken lightly," Loyal
declared, "it is a responsibility
for men of experience and con-
sidered judgement." Loyal said
being a county commissioner
he has never been con-
nected with any business that
would take time from coun-
ty affairs. "I will continue to
devote full time to the duties of
the Board of Public Instruction."

Loyal is a past president of the
South Side Kiwanis Club
and resides in Lake Clarke
Shores, Mr. and Mrs. Loyal's son
will be graduated this year
from Florida State University
and their daughter will com-
(Continued on Page 6)

John L. Archie
County Commissioner
Group 4

John L. Archie, former Mayor
of Boynton Beach, in announc-
ing his candidacy for County
Commissioner for District No.
4, states: "It is my understand-
ing that my opponent has been
defeated in his last 2 county-
wide elections by the people in
his own district. However, the
rest of the county, by habit
elected him for another
term. It is with this in mind
that I include as one of the
planks in my platform 'return
to the people the right to vote
by district for County Com-
missioners.' This is very pos-
sibly true in the other 4 dis-
tricts which would indicate even
stronger the need to allow the
people of each district to elect
the man of their choice because
he is the man who will repre-
sent them for 4 years."

Beyond this, Mr. Archie feels
a need exists for more coop-
eration between the commis-
sioners of the Glades District
and District No. 4, as the people
of these areas have apparently
been forgotten in the past. To
this end, he pledges to work in
harmony with whoever is the
Commissioner of the Glades
District. It is in this manner
that these two areas of Palm
Beach County will be able to
attain the network of new roads
and highways so direly needed
for future progress.

Archie, since coming to Flori-
da, has resided in Palm Beach
County and has served in many
capacities in civic and govern-
ment projects. While Mayor of
Boynton Beach, he helped ini-
tiate or complete a new \$1,270,
000 water treatment plant and
distribution system, a new pub-
lic library, athletic field, civic
center and shuffleboard courts
and complete new sewage facili-
ties amounting to over 3 mil-
lion dollars. All this, stated
Archie, was accomplished with-
out raising ad valorem taxes
and, in fact, reducing them.

"Who Will Rule The World?" Featured Discourse Of Jehovah's Witnesses

The featured discourse, "Who Will Rule The World?", was attended by 2,089 persons at the Pompano High gymnasium Sunday afternoon. This climaxed a three-day Christian assembly of Jehovah's Witnesses according to Joseph P. Dixon, presiding minister of Jehovah's

Witnesses of the Belle Glade congregation.

David J. Thomas, district supervisor of Jehovah's Witnesses in Florida, delivered the public talk and pointed out that Jehovah God is Almighty and Supreme beyond all creation and can impose His will on all. He further stated: "Since all life depends on Him it is right that He should rule mankind and define government. Therefore, Jehovah has seen fit to place into the hands of his Son, Jesus Christ, all authority and power as world ruler to restore man and righteous rule toward this earth."

"The theme of the convention 'Faithfully Increasing our Praise to Jehovah' was repeatedly brought to the attention of the delegates. Dixon said: 'If new members were baptized water on Saturday afternoon,'

Diocesan Convention Slated In Palm Beach

Planning to attend the Diocesan Convention April 30 thru May 2 at the Biltmore Hotel, Palm Beach are the Reverend L. D. Loring and Mrs. Loring and Mrs. Sera Sierra Smith of St. John the Apostle Episcopal Church, Belle Glade.

Others attending part of the sessions will be Mrs. J. Eddie Jones and Mrs. Bernard Painter, who will be a page.

Sunday School Dept. Breaks All Records

Services Sunday at the Church of God in the Sunday School Department broke all records with 265 attending. Last year's attendance was 201.

Following the worship services, dinner was held on the grounds and an Easter Egg hunt entertained the children. A sing was in progress in the afternoon.

A revival is now in progress at the church with Rev. Carl White, evangelist. The public new members were baptized each night at 7:30.

GLADES CHURCH NEWS

The Herald welcomes news items from your church each week. Call WTM 6-2664 not later than Tuesday noon for publication. KATHLEEN LIVINGSTON, Church Editor

South Bay Baptist Revival Services Begin Sunday

The First Baptist Church of South Bay to begin Revival Services on April 29th and run through May 13th with Dr. Warren J. Nubern former pastor of the Sunset Point Baptist Church in Clearwater and present Pastor of the First Baptist Church of Greenacres City as Evangelist. Services will be each evening at 7:45 p. m. with a 30-Voice Revival Chorus under the direction of the Pastor, Rev. James A. Panton whom will serve as Minister of Music for the two-week Revival effort.

Dr. Warren J. Nubern is a native of Florida, born in Wauchoula and moved to Tarpon Springs where he graduated from Tarpon Springs High School. He served in the Navy for two years and then attended Baptist Bible Institute in Lakeland, University of Florida while he served churches in the area. Dr. Nubern also had attended South-Eastern Baptist Seminary at Wake Forest, North Carolina and New Orleans Baptist Seminary. Dr. Nubern received his Doctorate degree from Santiago Bible College in Santiago, Cuba in 1959. He has served First Baptist Church of Melrose, Fla.; First Baptist Church, Ocala, Fla.; Calvary Baptist Church in Gainesville, Florida; Sunset Point Baptist Church in Clearwater, Florida and presently the First Baptist Church of Greenacres City.

Dr. Nubern was Training Union Director for the Pinellas Baptist Association as well as Chairman of the Missionary Committee while serving at Sunset Point Baptist Church, Rev. Panton, the Pastor at South Bay was Dr. Nubern associate for two-years in Clearwater.

Nubern is married to the former Charlotte Coleman of Palm Harbor, Florida and they have a son Roger who is 10 years of age.

There will be special emphasis each evening of the Revival Campaign with Monday night as Sunday School Night, Tuesday night, Training Union Night, Wednesday night, Church Membership night, Thursday night as Clon night; Friday night as Packer-Pew night; Saturday

Inter-Racial Council To Hear Dr. Williams At Public Meet Sunday

Sunday, April 29, at 3:30 p. m., the Belle Glade Inter-Racial Council will have as its guest speaker Dr. H. Franklin Williams, Vice President of the University of Miami. "Opportunities and Obligations in Education" will be the subject of his address which will mark the occasion of the annual public meeting of the Council. The meeting will be held at St. John First Baptist Church, 600 S. W. Eighth Street.

Dr. Williams, who also serves as Director of Community Affairs at the University of Miami, earned the A. B. summa laude from Harvard College, the B. A. degree from Cambridge (England) University, the A. M. and the Ph. D. degrees from Harvard. He has traveled extensively in Europe and the Middle East.

In 1940, he published the textbook ITALY SINCE 1870 and "The Moderates" in 1950. He is a member of Phi Beta Kappa, Sigma Chi, Phi Kappa Phi, Alpha Phi Omega and International Club of Miami (honor) as well as many other societies. He is a member of the governing board of the Southern Regional Council.

He has received the Bethune-Cookman College citation for Education and Human Relations, 1957, and the Abess Award for Outstanding Citizen, 1958. He has been Chairman of the Scholarship Committee for the last eleven years helping hundreds of University of Miami students with financial problems.

All members of the community are invited to attend. This presentation marks the annual effort of the Inter-Racial Council to acquaint the community with its activities.

"The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter, certainly before we can reach the goal of Spirit, or life in God."

Gifts Presented Church In Memory Of Departed

On Easter Sunday, several members of St. Peter's Lutheran Church dedicated the following altar appointments to the glory of God and to the memory of their departed loved ones: A solid brass cross, candlesticks and vases by Mrs. Ruth Kirchner and family in loving memory of husband and father, Robert W. Kirchner.

NOW... FUN AND SUN DAYS at your Chevrolet Dealer's One-Stop Shopping Center

NEW CHEVY II NOVA WAGON

Liveliness and loads of fun at a low, low price! Who ever thought a wagon could have such a compact price—and still be so generous with load space. This one's got a longer load floor than any compact—over 9 ft. with second seat and tailgate down. And there are two other just-as-roomy Chevy II wagons to choose from—including America's lowest priced 4-door station wagon.

NEW IMPALA CONVERTIBLE—You're in plenty good company if you pick this breezy beauty. It's America's favorite top-down way to travel. With the kind of room, richness and riding comfort that rival the costly cars.

NEW BEL AIR 4-DOOR SEDAN—Get a load of this one's styling and spacious comfort, and you've a good idea why Chevrolet is America's most popular buy. Most popular at trade-in time, too.

NEW CHEVY II 390 4-DOOR SEDAN—Luxury and liveliness never came together so beautifully at such a low price. Room for a full-grown tribe of six. Plus Mono-Plate rear springs and other new ideas that won Car Life magazine's Engineering Excellence Award.

NEW CORVAIR MONZA CLUB COUPE—It's as easy to handle as to own. Rally-proved steering and road-clinging traction. And—included in its budget-pleasing price—are front bucket seats, deep-twist carpeting and a whole raft of sporty features at no extra cost.

See the new Chevrolet, Chevy II and Corvair at your local authorized Chevrolet dealer's

Judge J. L. Tyson Magistrate Court In Glades

I qualified with the Clerk of the Circuit Court as Magistrate, subject to the first primary election on May 8, 1962 and the general election on November 6, 1962 for election to the office of Judge of the Magistrate Court, District One, Palm Beach County, Florida.

As you recall, this Court was created by an act of the 1961 Legislature and became operative on July 1, 1961. I was appointed by the Governor to serve until the next general election, when a successor would be elected to serve a four year term. The district served as the western portion of the county lying west of the west boundary of Range 40 East, and the jurisdiction of the Court consists of all traffic cases and minor misdemeanors.

The qualification required of the Judge are that he be a member of the Florida Bar, at least twenty-five years of age, have practiced law in the state for at least one year, and be a resident of the district.

I am forty-two years of age, reside with my wife and three children in Pahokee, attended public schools in Tampa; graduated from Mississippi State College with a B. S. in Business in 1941, and from the University of Mississippi with a degree in Law in 1944. I practiced law in West Palm Beach from 1950 to 1953 when I came to Pahokee and engaged in farm work for Frank Friend until my appointment to this position in July, 1961.

The Court has been operating smoothly since its inception and there have been over two thousand cases filed since last July 1st. I feel that each case had been handled fairly and impartially, and that will certainly be my aim in all future matters before the Court.

-J. L. Tyson, Jr.

Ben F. Sundy

(Continued From Page 3)
standards has contributed to an orderly growth of new residential and commercial developments; our parks and recreation facilities have grown with our population and our network of roads and highways is being extended as rapidly as possible to better serve our growing county.

With this same kind of leadership and by the application of plans now being drafted, Sundy said, Palm Beach County will continue to grow and prosper in the future and will maintain its spot as one of the leading and most progressive areas in the state.

Looking to the future, Sundy reviewed some of the plans to which he has lent his support. One of the top priority projects for the county, Sundy said, is a \$15 million bond issue now in the final stage of planning and will mean about 25 major road and bridge improvements for all areas of the

county.
To aid development of a new University at Boca Raton, the county Commission, Sundy said has supported his request to build whatever roads found necessary to serve the new college.

Palm Beach County, Sundy said, is one of the fastest growing areas in the state and its people are entitled to the best services and facilities the county commission can provide.
Sundy resides at West Atlantic Ave., in Delray Beach, is married and the father of two children.

He is a member of the Baptist Church and holds membership in the Masonic Lodge, Shrine, Elks and Kiwanis.

Myron Rogers

(Continued from page 3)
people have been treated at the Palm Beach County Building and Zoning Board. In the past they have been pushed around and denied the help which they are entitled to by the public servants. Often times very rude and with little consideration for feelings of the tax payers. I believe zoning laws are necessary, for the development of Palm Beach County, however, I believe in fairness in all cases, and sympathy given without a hardship to anyone.

The budget should be split so all the districts receive an equal amount for roads and new construction through the county. This has not been so in the past. Some roads were approved more than ten years ago and so far no action has been taken and the money spent on other projects.

County employees should be put under civil service and elimination of the patronage system as now used by the present commission. Also, I am in favor of hiring qualified competent personnel from this county if they are qualified rather than from another county or state.

We have been using more money than needed on some jobs. I feel with a full time commissioner with no obligation to any work other than the work of P. B. County, money could be saved. Working conditions could greatly be improved at the Court House.

No matter how small a complaint is that the person making it thinks the action should be taken and consideration be given the person would not have made the request. I promise to give careful consideration rather than a brush off, or say it's some other dept., not the commissioners.

The children of Palm Beach County should have more recreation facilities. Close cooperation with our juvenile authorities, giving all encouragement and aid possible, to help our youth.

Therefore I believe it's time for a change to more action in Dist 4 not just a yes man or a head shaker.

plete her freshman year at the same college.
Lytal firmly believes that a county commission can only show progress with the help of its employees. "I have great pride in Palm Beach County's organization," he said, "a group of outstanding department heads and devoted employees who have made this organization one of the best in the state."

Chairman Lytal's bid for reelection will be subject to a Democratic Primary election May 8, when two others will be on the ballot for the same commission post.

A. F. Brockmiller

and fair portion of the tax dollar.

"We are in an era that requires vision, not dreams," says Brockmiller, "we must use the experience of the qualified people of this county in planning and developing for the

future. Let's not spend our tax dollars on projects for yesterday, but first thing first — building for the foreseeable future, making allowances for retardation or acceleration."

"I am not sponsored, nor will I ever be dictated to, influenced by, or controlled, by any special interest. I will make up my own mind based on the facts presented, investigate fully, discuss them with all parties concerned and my colleagues on the Commission. I will be an unencumbered commissioner."

"In offering myself as candidate," Brockmiller promises, "I will devote my full time and attention to matters of the county and not indulge in business or outside activities. I will make it a full time job."

Mrs. Allen Named Grand Instructor OES District 18

Order of Eastern Star Chapter 197 met Thursday night at the Masonic Temple at which time reports were made on the Grand Chapter session held in Jacksonville recently. Mrs. Faye Greer, Mrs. Louise Hendry, Mrs. Beula Simmons and Mrs. Evelyn, attending the session gave the reports.

Mrs. Allen, was introduced as new grand instructor of District 18 and welcomed by the group. She was appointed at the grand chapter session by the worthy grand matron, Mrs. Leola Foster of Zephyrus Hills. Her district includes Belle Glade, Moore Haven, Pahokee and Clewiston. Mrs. Beula Simmons served as grand escort at the session.

Mrs. Ruth Mock, ways and means chairman, reported plans for the smorgasbord had been completed for April 29 and urged everyone to get out and sell tickets.

Mrs. Allen announced a district school of instruction would be held at the Belle Glade Masonic Temple Saturday, May 19. Robert J. Allen, Jr., showed color slides relating to Patriot's Day.

Refreshments were served following the meeting by a committee composed by Mr. and Mrs. Fred Simmons and Mr. and Mrs. R. J. Allen, Jr.

A Practical Nursing Career

Within nursing today, a very special career is attracting qualified men and women. This is practical nursing — a career distinguished by its own rewards, responsibilities, and preparation. It offers a practical answer if you want to be a nurse, but cannot undertake the more extensive preparation or responsibilities of the Professional nurse.

All States now license Practical nurses. As a Career, practical nursing offers special rewards and satisfactions that come only from helping others. Practical nurse training is one of the best preparations for living at home, at work, in the Community, and so education programs are being established to meet the growing demand for practical nurses.

To be a good practical nurse a student must first of all like people and like helping others, be outgoing and tactful, have common sense adaptability, reliability, high moral standards, and good personal habits — a student needs all of these in fact to be an all around good citizen.

Requirements for entering practical nursing are set by the individual school. Graduation

from high school is the General preference with a wide age range from 17 to 50. A thorough physical examination is a must before entering any school. Attitude tests, personal interviews, and references are required.

Practical nursing schools are of two major types: Public schools where courses are part of a vocational school or adult education program, Private schools run by hospitals, health agencies, community organizations. Now an increasing number of Junior Colleges have adopted a Nursing program, such as Palm Beach Junior College.

The Junior College offers an Associate degree. The Curriculum in the Nursing school is the result of careful College Community planning. It is approved by the Florida State Board of Nursing and Graduates are eligible to take the State Examination for Licensure to Practice as registered nurses.

Scholarships are available to Palm Beach Junior College for Nursing in the sum of \$300 per year for two years, for which students should apply and participate in the State Examination for the Loan Scholarship. The Belle Glade Memorial Hospital Women's Auxiliary also sponsor a Nurses Loan Scholarship in the sum of \$250.00 per year for two years.

Recipients of these various scholarships must agree in writing to practice nursing in Florida for a specific period of time following the completion of their training.

For the Local Scholarship students should file an application as soon as possible to the President of the Hospital Auxiliary, and any information regarding same can be obtained by calling 996-3338.

REMEMBER HOSPITAL DAY MAY 17TH. Citizens of Belle Glade come see for yourself what takes place at YOUR HOSPITAL.

BIRTHS

April 16: Mr. and Mrs. W. (Bill) H. Bearden (Earline Harn) Tampa, announce the birth of a daughter, Julia Lynn, weight 8 and one-half lbs., at Tampa Memorial Hospital. Mrs. E. F. Allen, Belle Glade is the paternal grandmother and visited with them last week, returning Saturday.

March 7 Mr. and Mrs. Guy Jordan (Ruby Stillwell) announce the birth of a daughter, Donna Jeanette at Belle Glade Memorial Hospital.

April 17 — Mr. and Mrs. D. L. Nall, Wenatchee, Wash., announce the birth of a son James Allen weight 7 lb. 3 oz., at St. Anthony Hospital, Wenatchee. Paternal grandparents are Mr. and Mrs. H. J. Martin, city. Maternal grandmother, Mrs. Mary Ruwert, Wenatchee. Mr. Nall is serving in the Navy at Bank, Cock, Tieland.

April 20: Mr. and Mrs. Lee L. Cranford, Belle Glade announce the birth of a daughter, Eva Marie, weight 9 lbs. 1 oz. at Everglades Memorial Hospital, Pahokee. Mother and daughter come home Saturday and are doing fine.

Child Labor Laws

Apply To Migrants

Glades Farmers Told

"Contractors and crew leaders who engage migrant families for Florida's annual vegetables and fruit harvests need to know the child-labor requirements of the Fair Labor Standards Act," Rufus L. Stokes said here today.

Stokes is manager of the Wage-and-Hour and Public Contracts Division field office at Room 219, Carlisle Building, 12400 N. E. 7th Avenue, Miami. He supervises enforcement of the Federal child-labor laws in 11 counties in East Central Florida.

"It is equally important that the head of every migrant family understand the Federal law," Stokes pointed out. "It applies in all states and prohibits employment of children under 16 in all states and prohibits employment of children in session. It provides severe penalties for willful violations."

Stokes noted that some family groups had signed for harvest work when the recruiting teams paid their annual visit to Belle Glade on Tuesday.

Representatives from local employment service offices distributed folders entitled "Child Labor in Agriculture" to many employers at that time. These explain the law and set out ways in which to comply. Stokes said that his office had additional copies of the folder. They will be mailed on request.

Bass Fishing To Be Publicized On TV

Active shots of catching large mouth bass in the Everglades of Florida will appear on TV scored to music and narrated, according to Don Redinger of Tele-Sport Inc., who has been fishing and taking shots of fresh water fishing at J. Mark Fishing Camp.

Along with Mark Challancin he has had good catches every day up to 10 lbs. The sponsors are Feather Craft Boats and Bundy Motors. J-Mark will be notified when the story is to appear on TV, which will probably be in about 6 months.

Redinger said the publicity of this TV show will help to counteract some of the bad publicity which the Glades had over TV several years ago.

Rep. Roberts Speaks To Demolay Chapter

Rep. Emmett S. Roberts was guest speaker at the meeting Monday night of the Lake Oke-

chobee Chapter Demolay. He spoke to the group on responsibilities of citizenship, knowledge of government processes, voting in all elections and willingness to be a candi-

the WAY to better farming

Let Raddy be your night watchman with modern automatic farm lighting. Instant dual-to-down yard lights guard against prowlers, prevent accidents, provide better working conditions and additional "daylight" hours.

Moreover, Raddy can do some 300 jobs on the farm—heat water, grade feed, sharpen tools, incubate the chicks, dries the hay, cleans the barn—and works full time for part-time wages.

And in your home, Raddy provides the comforts and conveniences of modern electric living—in kitchen, laundry, all through the house.

There's no need for flameless Electric Living. IT'S CHEAPER TOO!
